NEW ZEALAND  
CLEAR PINE

# NEW ZEALAND CLEAR PINE

*(Pinus radiata)*

**International Timber source the finest New Zealand-grown Radiata Pine, from carefully managed and certified plantation forests. Our suppliers process only the highest quality logs ensuring the highest quality timber.**

New Zealand Clear Pine is ideal for moulding manufacture, with the inherent structure of the wood allowing high quality throughout in the planers and giving a smooth, high-end finish.

New Zealand Clear Pine guarantees a beautiful, clear grain for applications where appearance is key, such as furniture manufacture, staircases, architraves and skirtings, and small mouldings.

BECAUSE WHEN IT COMES TO QUALITY AND SUSTAINABILITY, THERE IS NO COMPROMISE

”

## PRODUCT BENEFITS

### SUPERIOR QUALITY

The finest quality available in the UK, with a clear, moulding quality surface finish on all four sides, produces a clear cross cut finish making it ideal even for fine cabinet work.

### DEPENDABLE PERFORMANCE

Advanced, quality assured kiln drying ensures good stability in service. Clear of defects and stable, reduced distortion and cupping.

### ENVIRONMENTALLY FRIENDLY

Planted, harvested and produced under the strict guidelines of the Forest Stewardship Council®.

### IDEAL PRODUCT

Kiln dried to 10-12% making it an ideal choice for laminated stair components.

### EASY TO USE

Easy to cut, nail and glue, machines well, takes stains and lacquers well, no resin pockets to affect lacquers and paintwork, providing the flexibility for use across a wide range of applications.

### COST EFFECTIVE

Can achieve the look of hardwood at a fraction of the cost.

## Skirting & Architraves

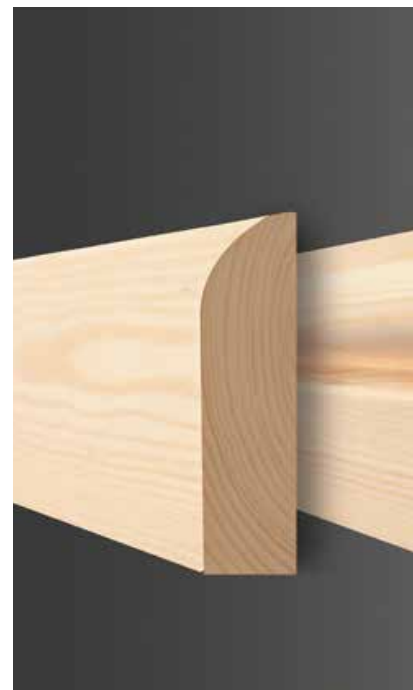

New Zealand clear pine skirtings and architraves can be supplied in a range of finishes to suit individual project requirements for high quality interiors. It provides the perfect material for the finishing details for quality construction projects.

## Staircases

We supply square dressed boards in a variety of sizes, used for a wide range of applications such as staircases, general joinery, furniture manufacturing and cabinetry. All dressed boards are manufactured using the best pruned logs and are renowned for the finest grade and machine finish. We can also supply handrails, baserails and newel posts

## Small Mouldings

New Zealand Clear Pine is a perfect choice for creating the finishing touches. This clear, knot free wood guarantees a high quality finish and dimensional consistency.
