

Small Mouldings European Redwood / Whitewood

BOTANICAL NAME

Pinus sylvestris

OVERVIEW

Our range of mouldings include skirting, architraves, flooring, claddings, dowels and beadings. There are endless possibilities with joinery moulding patterns, our service includes a matching service for any bespoke items that you may require, where we will machine any items to order in softwood. All of our machined timber has been selected for consistent quality and certification, and we deliver these products through our network of distribution sites around the UK.
